

## GUIDING THE FUSION AND ADVANCE FOR ASIAN IBD

### 6<sup>TH</sup> ANNUAL MEETING OF ASIAN ORGANIZATION FOR CROHN'S AND COLITIS

JUNE 21<sup>ST</sup> – 23<sup>RD</sup> 2018 SHANGHAI CHINA

#### First announcement

The upcoming Annual Meeting of Asian Organization for Crohn's and Colitis (AOCC) is based on the extremely successful five past Annual Meetings in Japan, Korea and China. The 6<sup>th</sup> Annual Meeting will display the leading opportunities and the challenges for inflammatory bowel disease (IBD) in Asia. By interpretation, the trend of fusion and the innovation of Asian IBD will be promoted by the members of AOCC. The Asian advance in diagnostic markers, therapeutic determination, basic researches and quality of care will be discussed in this academic festival. With the efforts by the Academic and Scientific Board, the program at a glance has been presented.

In the Asian forums of the 6<sup>th</sup> Annual Meeting, keypoints for fusion in IBD research in Asia and the innovation of Asia IBD will be addressed. And the Academic and Scientific Board kindly reminder your attention to the amazing cases to be discussed by reports, MDT and panels in the upcoming sections in the 6<sup>th</sup> Annual Meeting. The leading opportunities and the challenges for IBD in Asia will be highlighted by the senior experts of AOCC, ECCO and CCFA. Several spark of thought in IBD will emerge though these speeches.

Novel translational approaches push the development of IBD. In the upcoming AOCC annual meeting, biologics with different mechanisms, biosimilars, treat-to-target and so on are still most attractive topics. However, the Academic and Scientific Board enroll the new views in IBD from bench to bedside. And the debates in Asian IBD together with the differentiation with the other area of the world will be notified.
